hansgrohe: modern design and refreshingly high-quality products

Quality and reliability come as standard

With a long-standing reputation for technically advanced, precision German engineering, every hansgrohe product is produced to exacting standards to provide the reassurance of long life you and your customers seek.

We make it easy for you to install

Our comprehensive range gives you every opportunity to take advantage of top quality products with a deliberate emphasis on ease of installation – ensuring you can fit and forget.

Great product design to inspire your customers

With hansgrohe great design and functionality go hand in hand. Our products are meticulously designed and manufactured to make bathrooms more attractive, more comfortable and more exhilarating.

After sales and service

For technical enquiries, our experts will be happy to assist you with their extensive knowledge of the entire hansgrohe product range. Service and replacement parts are delivered in the fastest possible manner.

Our name is your guarantee

'Made by Hansgrohe' is your assurance of a five-year guarantee for repair, replacement or refund if ever any of our products fail to fulfil those high expectations that first attracted you to our name.

All products carry a minimum 5 year manufacturing guarantee.

Spare parts held for 15 years after product discontinuation.

New products

We don't just keep up with technology - we pioneer it

From the big picture to the smallest detail, we welcome every opportunity to enhance your showering experience by integrating technical innovation wherever and whenever it will function best. The icons are here to introduce you to the latest hansgrohe advances. They are your guide to discovering just how much hansgrohe can enhance your comfort and enjoyment in the bathroom.

Intuitive water control at the touch of a button.

Great performance, save up to 60% water.

A soft relaxing water experience.

Prevents the thermostatic mixer from getting too hot, preventing painful scalding.

Distributes the water evenly over a large shower disc, so your whole body is completely enveloped in enriching drops of water.

Defines the area between the wash basin and mixer spout. This shows the product is available in various heights - to suit different wash basins and requirements.

Remove limescale deposits simply by rubbing the flexible silicone jets.

Quality performance on a minimum of 0.2 bar pressure.

Products meet regulation 4, part 2 of the Water Supply Regulations.

Suitable for use with combination boilers, subject to the manufacturers performance specifications.

Perfect for rinsing shampoo out of your hair.

Gentle shower rain with air-enriched drops.

An intensive water spray that activates and refreshes.

Strong, pulsating massage spray.

Vernis: combining style and flexibility

The new hansgrohe Vernis assortment consists of 2 designs that fit every bathroom, every lifestyle and every taste. Vernis Blend has a modern and elegant design while Vernis Shape comes in a geometric form creating a striking bathroom ambience.

Vernis Blend

Vernis Blend is a soft design that comes with rounded flowing forms

- Harmonious design between handle and spout
- Upright, slender and cylindrical body

- Understated elegance
- Universal design suitable for every bathroom

- 200mm shower pleasure
- Easy cleaning thanks to QuickClean
- Spray type: Rain

Vernis Shape

Vernis Shape is an edgy design with geometric forms that always stays in shape

- Harmonious design between handle and spout
- Expressive, geometric body

- Precise edges
- Universal design suitable for every bathroom

- 230mm shower pleasure
- Easy cleaning thanks to QuickClean
- Spray type: Rain
